

Dems are benefitting from Trump's weak ratings on most issues, but Dem vote share lags Trump disapproval

Issue environment impact: Does what you're seeing on each issue make you more likely to vote Dem vs. GOP? ≈

■ More likely to vote for the Democrat ■ No Impact ■ More likely to vote for the Republican

Q14. Below are some topics that have been in the news lately. For each, please indicate if what you are seeing or hearing about that topic makes you more likely to vote for the Democratic candidate or the Republican candidate for US Congress. *What I'm seeing or hearing about this topic makes me...*
